

## Mystery Dining Co recruits for “exclusive assignments”

The Mystery Dining Company is currently recruiting individuals with a background in the hospitality sector for a series of exclusive paid-for assignments. The firm, which specialises in providing dining feedback, is launching a new assessment programme designed to give an in-depth overview of corporate event management.

Assessors will be responsible for overseeing pre-conference checks, including reviewing room set up and equipment availability. They will then be required to monitor scheduling throughout the day, provision of food and beverage at break times, and the general efficiency of event staff.

To apply go to [www.mysterydining.co.uk](http://www.mysterydining.co.uk).
